DAILY DEMOCRAT-FORUM

(Successor to the Maryville Republican)

VOLUME 3. MARYVILLE, MISSOURI, TUESDAY, JULY 9, 1912. NO. 31.

WILL VOTE ON NINE

CONSTITUTIONAL AMENDMENTS TO BE SUBMITTED TO VOTERS.

THE REPUBLICANS FAILED

Four Ameidments in Which Party Was Interested Could Not Secure Necessary Number of Signers.

Missouri Republicans are stupefied by their failure to secure sufficient signers to initiative and referendum petitions to validate the submission of four propositions at the November elections. The time for filing expired at midnight last Thursday.

Chief among the propositions boomed by the Republicans was a partisan redistricting scheme. This was a plan to make Missouri normally Republican.

It is said the row between Hadley and the "regulars" caused the apathy and nobody cared to work in common.

In contradistinction to the blight upon the Republican party of Missouri it is only necessary to return to the subject of propositions that will be submitted to the voters of Missouri next November under initiative and referendum petition to show that this method of reaching the voters has not really been abandoned in Missouri. Approximately 23,000 voters were necessary in order to validate these petitions, where the requirement as to the number of congressional districts was also met.

According to those who had charge of the petitions, these propositions will be submitted:

Imposing a mill tax, or 10 cents on the $100 valuation, for support of the state university, the normal schools and the public school system, one-third of the tax to go to each.

Single tax, the ultimate object being to abolish all taxes on personal property other than that belonging to the public service corporations.

Providing for grand jury probes into the ballot boxes following each election, the object being to punish fraudulent voters.

Requiring the state to make provision for giving employment upon public works and improvements to the unemployed.

Hobos Lead as Signers.

According to statements made more than 31,000 voters signed the single tax proposition; 26,000 for the unemployed; 24,000 for the ballot box investigations, and perhaps 30,000 for the mill tax. The Single Tax League had charge of the first proposition, the W. C. T. U. of ballot box investigations, the university and public schools generally of the mill tax, while Dr. J. Eads How of St. Louis assumed charge of the hobo movement.

And so, while the entire Republican organization in the state had charge of the four party propositions, aided by every postmaster, yet only three congressional districts could be induced to respond, and every proposition lacked the required number of votes, yet Dr. J. Eads How, with only the hobo element behind him, easily outstripped the 347,000 Republicans and beat them more than 3 to 1 in the congressional districts, while the school children, the single taxers and the W. C. T. U. ran away from them.

Small wonder that State Bank Commissioner John E. Swanger, who paid $100 filing fee before the Chicago convention to become a Republican candidate for governor, and half a dozen other Republican candidates for state offices, are seriously considering the matter of withdrawing.

Seemingly, if matters are to continue in the Republican party of Missouri as they now exist, there won't be any tail to go with the party hide when the latter is nailed on the Democratic barn door next November.

Nine Questions Up to Voters.

Unless the persons who have submitted the petitions have made errors in their claims, nine will be submitted on the ballots next November. The four that will be submitted under the initiative and referendum have already been stated.

The five submitted by the legislature are:

Reducing the minimum school age from 6 to 5 years.

Empowering third and fourth-class cities to increase their indebtedness 40 cents on the $100 valuation for public buildings.

Authorizing St. Louis county to vote a 5 per cent tax for sewer system.

Providing for the registration of voters in St. Louis county.

Changing the naturalization laws so as to require aliens to take out their full naturalization papers before becoming legal voters. At present they can vote on their first papers, or declaration to become citizens.

The four Republican propositions that failed were: Rearranging the state senatorial districts, a workingmen's compensation act, providing for home rule police departments in St. Louis, Kansas City and St. Joseph, and placing the excise commissioner under home rule.

QUITMAN MAN LOST MULE.

Valuable Animal is Killed When Team Runs Into Him With Binder.

C. F. Baring, living a mile and a half east of Quitman, lost a two hundred dollar mule Monday morning in an accident which he very luckily got out of without being injured. Mr. Baring had hitched five mules to a binder and was starting to harvest a field of oats. One of the mules was so fractious that he tied that animal to a fence and began work with the other four. All went well for a while, but finally these four animals bolted and ran. The driver rolled off the seat and escaped injury but the runaway team pulled the binder against the mule that was tied to the fence, cutting off one of his legs and killing him.

OLD CITIZEN DEAD

DAVID WORKMAN, A PIONEER, PASSED AWAY MONDAY.

HIS FUNERAL TUESDAY

Was Son of Man Who Founded Church Under Condition That No Collections Were to Be Taken.

David Workman, a member of one of Nodaway county's oldest and most prosperous families, died at 11 o'clock Monday forenoon at the home of his brother, James Workman, ten miles northwest of Maryville, of Bright's disease, from which he had long suffered.

The funeral services were held at Workman chapel Tuesday afternoon at 2 o'clock, conducted by Rev. W. J. Parvin of the M. E. church, South, of this city. Burial in Workman chapel cemetery.

Mr. Workman was a son of the late John Workman, who gave Workman chapel to the people of that community as a place of worship, although he was not a member of any denomination, with the distinct understanding that no collection was to be taken at any service held in that place, and that when money was needed he would be responsible for all it would take to carry on meetings for the worship of God. He died about fourteen years ago at the age of 86 years, survived by six sons, William, John, David, James, Thomas, Francis and George Workman, all residents of this county excepting John, who resides in Bates county, Mo., who still survive except the immediate subject of this notice.

David Workman was born near Bloomington, Monroe county, Ind., March 25, 1857, and came with his parents to this county in 1859, and this had always been his home since. He married Martha Ann Gray of Union township, who lived near his own home, a sister of James T. Gray of Maryville. Her death occurred a good many years ago. Two children were born to them, one dying in infancy. The daughter, Florence, survives, and is the wife of Thomas Moon of Burlingame, Kan.

M. Jones of New York City, and made a careful study of the immigration question at that point.

Miss Roach spent the greater part of her time in the east with Rev. and Mrs. Jones. She made sight-seeeing visits to Niagara Falls, Philadelphia, Washington, D. C., Mt. Vernon, the home of George Washington; Buffalo and Corning N. Y., and Chicago.

Was a Great Convention.

Maryville club women have been watching the progress of the great meeting of the General Federation of Women's Clubs that has just closed in San Francisco, with no little interest, and the death of Mrs. Sarah Pratt Decker, Sunday night, who was without doubt the most brilliant woman of the convention, has called many expressions of sorrow, for her death is a distinct loss to the federation and was especially sad, occurring as it did when she was putting forth most effective work. She was stricken with her fatal illness a few days after the convention opened, but after she succeeded in securing the endowment fund she worked so valiently for.

Another reason for interest in this eleventh biennial meeting of the general federation was personal, because the wife of a former Maryville young man, Judge Overton G. Ellis of Olympia, Wash., holds a most important office in the general federation, that of chairman of the food sanitation committee of the public health department. Mrs. Ellis was Miss Jennie Willhite, a teacher in the schools of Kansas City when she was married to Mr. Ellis, and she was a friend of Mrs. Edward G. Orear of Maryville, a leading member of our Twentieth Century club.

The newly elected president of the general federation is Mrs. Percy V. Pennybacker of Austin, Texas, who succeeds Mrs. Phillip N. Moore of St. Louis.

THE WEATHER

Generally fair tonight and Wednesday; continued warm.

IN AGAIN, OUT AGAIN

J. W. MORRIS HAS A HARD TIME HOLDING DOWN JOB.

WATER BILL WAS HELD UP

Public Works Board Claims if Company Has Franchise It is at 25 Cents Per Thousand Gallons.

By a unanimous vote the city council passed an ordinance at their regular meeting Monday night abolishing the office of police judge. So Boss Morris is out of a job, so far as they are concerned.

S. G. Gillam and M. E. Ford spoke to the council in regard to the water question. They said that the water company now claims that they have a continuing franchise. That under this franchise the city could either buy the plant or grant a new franchise to the company. As the city has done neither, the water company claims that their franchise is still running and that the city cannot build a plant in opposition to the company.

The board of public works does not concede any such rights to the water company, and is now having its attorneys working on the water company's claims. Mr. Gillam and Mr. Ford asked the council to suspend the payment of the warrant for the water company's bill until further developments took place. This the council did. Mr. Gillam also said that if the claims of the water company should hold good, then the terms of the old franchise were still in effect, and the old rate of 25 cents per 1,000 gallons and no minimum was all the company could charge. This would make the company a heavy debtor to the city and the citizens for the excess rates which have been running for some time.

The board of public works will meet with the council soon to lay before it all the work so far done, and to work in co-operation with the council from now on.

The reading of a few communications and the deference of the question of taking up some paving and sewer bonds until the next regular meeting was the only other business of the evening.

Adjournment was then taken until Friday, July 19.

TO MEET DENVER AUTOISTS.

Local Committee Will Pilot Colorado Tourists to Maryville.

Three auto loads of local men started at 9:30 o'clock this morning for Tarkio to meet the Denver tourists and pilot them to this city. It is thought that the autoists from Colorado will arrive in Tarkio shortly before noon, and after taking lunch at that place will come to Maryville, arriving here about 4 o'clock. They will not stop here long, but will journey to St. Joseph for dinner tonight.

Those on the local reception committee who went to Tarkio this morning are Ed Curfman, W. C. Pierce, Will Phares, L. E. Forsyth, Earl Barmann, H. L. Raines, James Todd, E. G. Orear, Paul Sisson, Joseph Jackson, Jr., and J. F. Hull.

DEATH OF GEORGE WILLIAMS.

Colored Man Died Monday Evening, After an Illness of Some Time.

George Williams, a colored man, died at his home on North Fillmore street at 7:50 o'clock Monday evening, after an illness of a year or more of cancer of the mouth. He was 56 years old and is survived by a wife and three boys and two girls. The funeral services will be held at the A. M. E. church on Wednesday afternoon by the pastor, Rev. J. R. Carter.

WILL REFUSE TO VACATE.

Police Judge Morris Still Claims He6 is Legally Entitled to the Office.

When Judge Morris was informed this morning by a representative of The Democrat-Forum that his office was abolished, he said that he was going to refuse to vacate the office and would see his attorney, F. P. Robinson, to have him bring ouster proceedings against the members of the council who have failed to file their affidavits of expenditures. There are only two members of the council—Frank Ewing and William Moyer—who have filed such statements, according to Mr. Morris.

Mr. Morris contends that he is still entitled to the office for two reasons: First, that the ordinance adopted Monday evening is not legal because six members of the council are not qualified and hence can't pass any laws; and second, that any ordinance abolishing the office could not take effect until his term expires.

So it will be seen that the police judge squabble is still up and that the matter will have to be thrashed out in the courts.

GIANTS STILL IN LEAD.

"McGraws" Defeated Athletics 7 to 2—They Play Pirates Tuesday Afternoon.

Standing of the Teams.

	Won.	Lost.	Pr.ct
Giants	5	3	.625
Cubs	4	4	.500
Athletics	4	5	.444
Pirates	3	4	.428

The Giants strengthened their hold on first place in the Normal base ball tournament Monday afternoon when they defeated the Athletics in a well played game by a score of 7 to 2. The game was featured by the steady fielding of both teams, particularly the winners. Capt Criss was on the mound for the Giants and allowed but two safeties and whiffed eight of the enemy. Capt. "Dough" Miller did the heaving for the losers and he twirled quite a respectable game, but he didn't get away so lucky as Criss. Miller also fanned eight of the opposing batters and allowed six safe swats.

The lowly Pirates will attempt to bring the leaders down a notch Tuesday afternoon, when the two teams meet in mortal combat. Southpaw Lesh will probably decorate the mound for the cellar champs, and Coach Moore will heave the pill for the chesty Giants.

Will Study Nursing.

Miss Mary Herwick, who has been employed at the Reuillard cafe for several years, will leave Monday night for St. Louis for a few days' visit, when she will go to Granite City, Ill., a short distance from St. Louis, to the St. Elizabeth hospital, where she will remain for some time, and eventually take up the profession of a nurse. Miss Herwick was one of the most courteous and amiable employes in our city and she will be missed by every man, womon and child who are of the Reuillard patronage, for she never failed to meet every one with a pleasant word or smile, no matter how busy the day. The good wishes of many friends will attend her.

Has Guests From St. Joseph.

Mrs. J. B. Seeley, living west of Maryville, went to Wilcox Tuesday to visit her sons, Ora and Roy Seeley. She was accompanied by her guests, Mrs. Anna Sultzer and little friend, Margaret Madden, of St. Joseph, who are visiting her. Mrs. Sultzer and Mrs. Seeley are sisters.

Visiting Sick Father.

Mr. and Mrs. Edward Walker of Princeville, Ill., arrived Sunday on a visit to Mrs. Walker's father, E. P. Knabb, living five miles west of Maryville. Mr. Knabb has been confined to his bed several months as the result of a stroke of paralysis.

MOVE BEGUN FOR PARTY HARMONY

Prominent Republicans Seek to Heal Breach in Organization.

ASK BOTH CANDIDATES TO QUIT

Plan is Then to Settle Upon a Compromise Man Who May be Acceptable to Both Factions.

Washington, July 9.—A nationwide movement to petition President Taft to withdraw as the Republican presidential candidate is being backed by a large number of Republican officeholders who feel that they face defeat in November unless the breach in the party can be healed.

These men include members of congress, members of state legislatures which will elect senators, state and county officeholders and party candidates.

Ask Roosevelt Also.

If the movement to petition Mr. Taft to withdraw succeeds in gaining any volume, it is said these same men, in the interest of party harmony, will ask Col. Roosevelt also to withdraw as a prospective candidate for an independent nomination and permit a compromise selection of some man agreeable to both factions of the party.

It is the desire of the promoters of the scheme that a decision shall be reached before August 5, when the Roosevelt faction plans to hold a convention in Chicago.

The circulation of petitions, it was declared, would start within a week. It was said the movement would begin spontaneously in every state. The organizers are now circulating blank forms of petitions and appointing supervisors, who in turn will engage canvassers to solicit the signatures of Republican voters.

Will Ask All to Help.

The movement is in the hands of several well known members of congress. They are being aided by many of the extreme Roosevelt Republicans. The enlistment of the National Progressive organization in the movement has been sought and it was stated that Senator Dixon's organization was willing to co-operate.

In the circulation of the anti-Taft petition an effort will be made to get them signed by organization Republicans and others who have stood with the president, as well as by citizens who have occupied neutral ground. There will be no special effort made to get Progressive Republican signatures.

THREATEN A SYMPATHY STRIKE

General Walk-Out of All Industries May Result From Street Car Trouble.

Boston, July 9.—A general strike of labor union workers in all industries in Boston, out of sympathy for the striking street car men of the Boston Elevated Street railway, is the newest plan developed by the Boston Central Labor union.

A resolution adopted by the body instructs its executive committee to determine the advisability of calling such a strike and to report as soon as possible.

The strike of the carmen now is in its second month.

T. R. MEN CAN GET ON BALLOT

MISSOURI ELECTION LAW GIVES NEW PARTY A CHANCE.

Opinion of Secretary of State Applies Only to Presidential Electors—No State or County Ticket.

Jefferson City, July 9.—Roosevelt electors can be placed on the ballot for the people of Missouri to vote upon next November in the opinion of Cornelius Roach, secretary of state.

Mr. Roach has just made a positive statement to that effect. It is he who under the law, makes up the official ballot and determines what tickets are properly entitled to a place on it.

Mr. Roach's statement as to his opinion of the election law in regard to a new party means that the question of the Progressive party's legal status will arise when that party presents the names of Roosevelt electors. The names will go on the ballot to be voted upon unless the supreme court steps in and orders otherwise.

Mr. Roach was not prepared to give his decision as to whether a state and a county Progressive ticket would also be placed upon the ballot. As an offhand opinion, without the advice of the attorney general's office, he was of the mind that only the electors could be placed on the ballot at this election.

The state election laws are silent entirely upon the subject of the formation of a new party except for the expressed prohibition of a new party using any part of the name of a party now existing.

The primary act provides new methods of nominations. Under it all nominations must be filed 60 days before the primaries. Under that provision Mr. Roach believes that the filing of a state or county ticket at this late date is barred.

WHAT SAVED HER LIFE

Mrs. Martin Tells About a Painful Experience that Might Have Ended Seriously.

Rivesville, W. Va.—Mrs. Dora Martin, in a letter from Rivesville, writes: "For three years, I suffered with womanly troubles, and had pains in my back and side. I was nervous and could not sleep at night.

The doctor could not help me. He said I would have to be operated on before I could get better. I thought I would try using Cardui.

Now, I am entirely well.

I am sure Cardui saved my life. I will never be without Cardui in my home. I recommend it to my friends."

For fifty years, Cardui has been relieving pain and distress caused by womanly trouble. It will surely help you.

It goes to the spot—reaches the trouble—relieves the symptoms, and drives away the cause.

If you suffer from any symptoms of womanly trouble, take Cardui.

Your druggist sells and recommends it. Get a bottle from him today.

DAILY DEMOCRAT-FORUM

(Successor to the Maryville Republican)

VOLUME 3. MARYVILLE, MISSOURI, TUESDAY, JULY 9, 1912. NO. 31.

WILL VOTE ON NINE

CONSTITUTIONAL AMENDMENTS TO BE SUBMITTED TO VOTERS.

THE REPUBLICANS FAILED

Four Amendments in Which Party Was Interested Could Not Secure Necessary Number of Signers.

Missouri Republicans are stupefied by their failure to secure sufficient signers to initiative and referendum petitions to validate the submission of four propositions at the November elections. The time for filing expired at midnight last Thursday.

Chief among the propositions boomed by the Republicans was a partisan redistricting scheme. This was a plan to make Missouri normally Republican.

It is said the row between Hadley and the "regulars" caused the apathy and nobody cared to work in common.

In contradistinction to the blight upon the Republican party of Missouri it is only necessary to return to the subject of propositions that will be submitted to the voters of Missouri next November under initiative and referendum petition to show that this method of reaching the voters has not really been abandoned in Missouri. Approximately 23,000 voters were necessary in order to validate these petitions, where the requirement as to the number of congressional districts was also met.

According to those who had charge of the petitions, these propositions will be submitted:

Imposing a mill tax, or 10 cents on the $100 valuation, for support of the state university, the normal schools and the public school system, one-third of the tax to go to each.

Single tax, the ultimate object being to abolish all taxes on personal property other than that belonging to the public service corporations.

Providing for grand jury probes into the ballot boxes following each election, the object being to punish fraudulent voters.

Requiring the state to make provision for giving employment upon public works and improvements to the unemployed.

Hobos Lead as Signers.

According to statements made more than 31,000 voters signed the single tax proposition; 26,000 for the unemployed; 24,000 for the ballot box investigations, and perhaps 30,000 for the mill tax. The Single Tax League had charge of the first proposition, the W. C. T. U. of ballot box investigations, the university and public schools generally of the mill tax, while Dr. J. Eads How of St. Louis assumed charge of the hobo movement.

And so, while the entire Republican organization in the state had charge of the four party propositions, aided by every postmaster, yet only three congressional districts could be induced to respond, and every proposition lacked the required number of votes, yet Dr. J. Eads How, with only the hobo element behind him, easily outstripped the 347,000 Republicans and beat them more than 3 to 1 in the congressional districts, while the school children, the single taxers and the W. C. T. U. ran away from them.

Small wonder that State Bank Commissioner John E. Swanger, who paid $100 filing fee before the Chicago convention to become a Republican candidate for governor, and half a dozen other Republican candidates for state offices, are seriously considering the matter of withdrawing.

Seemingly, if matters are to continue in the Republican party of Missouri as they now exist, there won't be any tail to go with the party hide when the latter is nailed on the Democratic barn door next November.

Nine Questions Up to Voters.

Unless the persons who have submitted the petitions have made errors in their claims, nine will be submitted on the ballots next November. The four that will be submitted under the initiative and referendum have already been stated.

The five submitted by the legislature are:

Reducing the minimum school age from 6 to 5 years.

Empowering third and fourth-class cities to increase their indebtedness 40 cents on the $100 valuation for public buildings.

Authorizing St. Louis county to vote a 5 per cent tax for sewer system.

Providing for the registration of voters in St. Louis county.

Changing the naturalization laws so as to require aliens to take out their full naturalization papers before becoming legal voters. At present they can vote on their first papers, or declaration to become citizens.

The four Republican propositions that failed were: Rearranging the state senatorial districts, a workingmen's compensation act, providing for home rule police departments in St. Louis, Kansas City and St. Joseph, and placing the excise commissioner under home rule.

QUITMAN MAN LOST MULE.

Valuable Animal is Killed When Team Runs Into Him With Binder.

C. F. Baring, living a mile and a half east of Quitman, lost a two hundred dollar mule Monday morning in an accident which he very luckily got out of without being injured. Mr. Baring had hitched five mules to a binder and was starting to harvest a field of oats. One of the mules was so fractious that he tied that animal to a fence and began work with the other four. All went well for a while, but finally these four animals bolted and ran. The driver rolled off the seat and escaped injury but the runaway team pulled the binder against the mule that was tied to the fence, cutting off one of his legs and killing him.

OLD CITIZEN DEAD

DAVID WORKMAN, A PIONEER, PASSED AWAY MONDAY.

HIS FUNERAL TUESDAY

Was Son of Man Who Founded Church Under Condition That No Collections Were to Be Taken.

David Workman, a member of one of Nodaway county's oldest and most prosperous families, died at 11 o'clock Monday forenoon at the home of his brother, James Workman, ten miles northwest of Maryville, of Bright's disease, from which he had long suffered.

The funeral services were held at Workman chapel Tuesday afternoon at 2 o'clock, conducted by Rev. W. J. Parvin of the M. E. church, South, of this city. Burial in Workman chapel cemetery.

Mr. Workman was a son of the late John Workman, who gave Workman chapel to the people of that community as a place of worship, although he was not a member of any denomination, with the distinct understanding that no collection was to be taken at any service held in that place, and that when money was needed he would be responsible for all it would take to carry on meetings for the worship of God. He died about fourteen years ago at the age of 86 years, survived by six sons, William, John, David, James, Thomas, Francis and George Workman, all residents of this county excepting John, who resides in Bates county, Mo., who still survive except the immediate subject of this notice.

David Workman was born near Bloomington, Monroe county, Ind., March 25, 1857, and came with his parents to this county in 1859, and this had always been his home since. He married Martha Ann Gray of Union township, who lived near his own home, a sister of James T. Gray of Maryville. Her death occurred a good many years ago. Two children were born to them, one dying in infancy. The daughter, Florence, survives, and is the wife of Thomas Moon of Burlingame, Kan.

Was a Great Convention.

Maryville club women have been watching the progress of the great meeting of the General Federation of Women's Clubs that has just closed in San Francisco, with no little interest, and the death of Mrs. Sarah Pratt Decker, Sunday night, who was without doubt the most brilliant woman of the convention, has called many expressions of sorrow, for her death is a distinct loss to the federation and was especially sad, occurring as it did when she was putting forth most effective work. She was stricken with her fatal illness a few days after the convention opened, but after she succeeded in securing the endowment fund she worked so valiently for.

Another reason for interest in this eleventh biennial meeting of the general federation was personal, because the wife of a former Maryville young man, Judge Overton G. Ellis of Olympia, Wash., holds a most important office in the general federation, that of chairman of the food sanitation committee of the public health department. Mrs. Ellis was Miss Jennie Willhite, a teacher in the schools of Kansas City when she was married to Mr. Ellis, and she was a friend of Mrs. Edward G. Orear of Maryville, a leading member of our Twentieth Century club.

The newly elected president of the general federation is Mrs. Percy V. Pennybacker of Austin, Texas, who succeeds Mrs. Phillip N. Moore of St. Louis.

THE WEATHER

Generally fair tonight and Wednesday; continued warm.

IN AGAIN, OUT AGAIN

J. W. MORRIS HAS A HARD TIME HOLDING DOWN JOB.

WATER BILL WAS HELD UP

Public Works Board Claims if Company Has Franchise It is at 25 Cents Per Thousand Gallons.

By a unanimous vote the city council passed an ordinance at their regular meeting Monday night abolishing the office of police judge. So Boss Morris is out of a job, so far as they are concerned.

S. G. Gillam and M. E. Ford spoke to the council in regard to the water question. They said that the water company now claims that they have a continuing franchise. That under this franchise the city could either buy the plant or grant a new franchise to the company. As the city has done neither, the water company claims that their franchise is still running and that the city cannot build a plant in opposition to the company.

The board of public works does not concede any such rights to the water company, and is now having its attorneys working on the water company's claims. Mr. Gillam and Mr. Ford asked the council to suspend the payment of the warrant for the water company's bill until further developments took place. This the council did. Mr. Gillam also said that if the claims of the water company should hold good, then the terms of the old franchise were still in effect, and the old rate of 25 cents per 1,000 gallons and no minimum was all the company could charge. This would make the company a heavy debtor to the city and the citizens for the excess rates which have been running for some time.

The board of public works will meet with the council soon to lay before it all the work so far done, and to work in co-operation with the council from now on.

The reading of a few communications and the deference of the question of taking up some paving and sewer bonds until the next regular meeting was the only other business of the evening.

Adjournment was then taken until Friday, July 19.

TO MEET DENVER AUTOISTS.

Local Committee Will Pilot Colorado Tourists to Maryville.

Three auto loads of local men started at 9:30 o'clock this morning for Tarkio to meet the Denver tourists and pilot them to this city. It is thought that the autoists from Colorado will arrive in Tarkio shortly before noon, and after taking lunch at that place will come to Maryville, arriving here about 4 o'clock. They will not stop here long, but will journey to St. Joseph for dinner tonight.

Those on the local reception committee who went to Tarkio this morning are Ed Curfman, W. C. Pierce, Will Phares, L. E. Forsyth, Earl Barmann, H. L. Raines, James Todd, E. G. Orear, Paul Sisson, Joseph Jackson, Jr., and J. F. Hull.

DEATH OF GEORGE WILLIAMS.

Colored Man Died Monday Evening, After an Illness of Some Time.

George Williams, a colored man, died at his home on North Fillmore street at 7:50 o'clock Monday evening, after an illness of a year or more of cancer of the mouth. He was 56 years old and is survived by a wife and three boys and two girls. The funeral services will be held at the A. M. E. church on Wednesday afternoon by the pastor, Rev. J. R. Carter.

WILL REFUSE TO VACATE.

Police Judge Morris Still Claims He6 is Legally Entitled to the Office.

When Judge Morris was informed this morning by a representative of The Democrat-Forum that his office was abolished, he said that he was going to refuse to vacate the office and would see his attorney, F. P. Robinson, to have him bring ouster proceedings against the members of the council who have failed to file their affidavits of expenditures. There are only two members of the council—Frank Ewing and William Moyer—who have filed such statements, according to Mr. Morris.

Mr. Morris contends that he is still entitled to the office for two reasons: First, that the ordinance adopted Monday evening is not legal because six members of the council are not qualified and hence can't pass any laws; and second, that any ordinance abolishing the office could not take effect until his term expires.

So it will be seen that the police judge squabble is still up and that the matter will have to be thrashed out in the courts.

GIANTS STILL IN LEAD.

"McGraws" Defeated Athletics 7 to 2—They Play Pirates Tuesday Afternoon.

Standing of the Teams.

	Won.	Lost.	Pr.ct
Giants	5	3	.625
Cubs	4	4	.500
Athletics	4	5	.444
Pirates	3	4	.428

The Giants strengthened their hold on first place in the Normal base ball tournament Monday afternoon when they defeated the Athletics in a well played game by a score of 7 to 2. The game was featured by the steady fielding of both teams, particularly the winners. Capt Criss was on the mound for the Giants and allowed but two safeties and whiffed eight of the enemy. Capt. "Dough" Miller did the heaving for the losers and he twirled quite a respectable game, but he didn't get away so lucky as Criss. Miller also fanned eight of the opposing batters and allowed six safe swats.

The lowly Pirates will attempt to bring the leaders down a notch Tuesday afternoon, when the two teams meet in mortal combat. Southpaw Lesh will probably decorate the mound for the cellar champs, and Coach Moore will heave the pill for the chesty Giants.

Will Study Nursing.

Miss Mary Herwick, who has been employed at the Reuillard cafe for several years, will leave Monday night for St. Louis for a few days' visit, when she will go to Granite City, Ill., a short distance from St. Louis, to the St. Elizabeth hospital, where she will remain for some time, and eventually take up the profession of a nurse. Miss Herwick was one of the most courteous and amiable employes in our city and she will be missed by every man, womon and child who are of the Reuillard patronage, for she never failed to meet every one with a pleasant word or smile, no matter how busy the day. The good wishes of many friends will attend her.

MOVE BEGUN FOR PARTY HARMONY

Prominent Republicans Seek to Heal Breach in Organization.

ASK BOTH CANDIDATES TO QUIT

Plan is Then to Settle Upon a Compromise Man Who May be Acceptable to Both Factions.

Washington, July 9.—A nationwide movement to petition President Taft to withdraw as the Republican presidential candidate is being backed by a large number of Republican officeholders who feel that they face defeat in November unless the breach in the party can be healed.

These men include members of congress, members of state legislatures which will elect senators, state and county officeholders and party candidates.

Ask Roosevelt Also.

If the movement to petition Mr. Taft to withdraw succeeds in gaining any volume, it is said these same men, in the interest of party harmony, will ask Col. Roosevelt also to withdraw as a prospective candidate for an independent nomination and permit a compromise selection of some man agreeable to both factions of the party.

It is the desire of the promoters of the scheme that a decision shall be reached before August 5, when the Roosevelt faction plans to hold a convention in Chicago.

The circulation of petitions, it was declared, would start within a week. It was said the movement would begin spontaneously in every state. The organizers are now circulating blank forms of petitions and appointing supervisors, who in turn will engage canvassers to solicit the signatures of Republican voters.

Will Ask All to Help.

The movement is in the hands of several well known members of congress. They are being aided by many of the extreme Roosevelt Republicans. The enlistment of the National Progressive organization in the movement has been sought and it was stated that Senator Dixon's organization was willing to co-operate.

In the circulation of the anti-Taft petition an effort will be made to get them signed by organization Republicans and others who have stood with the president, as well as by citizens who have occupied neutral ground. There will be no special effort made to get Progressive Republican signatures.

THREATEN A SYMPATHY STRIKE

General Walk-Out of All Industries May Result From Street Car Trouble.

Boston, July 9.—A general strike of labor union workers in all industries in Boston, out of sympathy for the striking street car men of the Boston Elevated Street railway, is the newest plan developed by the Boston Central Labor union.

A resolution adopted by the body instructs its executive committee to determine the advisability of calling such a strike and to report as soon as possible.

The strike of the carmen now is in its second month.

T. R. MEN CAN GET ON BALLOT

MISSOURI ELECTION LAW GIVES NEW PARTY A CHANCE.

Opinion of Secretary of State Applies Only to Presidential Electors—No State or County Ticket.

Jefferson City, July 9.—Roosevelt electors can be placed on the ballot for the people of Missouri to vote upon next November in the opinion of Cornelius Roach, secretary of state.

Mr. Roach has just made a positive statement to that effect. It is he who under the law, makes up the official ballot and determines what tickets are properly entitled to a place on it.

Mr. Roach's statement as to his opinion of the election law in regard to a new party means that the question of the Progressive party's legal status will arise when that party presents the names of Roosevelt electors. The names will go on the ballot to be voted upon unless the supreme court steps in and orders otherwise.

Mr. Roach was not prepared to give his decision as to whether a state and a county Progressive ticket would also be placed upon the ballot. As an offhand opinion, without the advice of the attorney general's office, he was of the mind that only the electors could be placed on the ballot at this election.

The state election laws are silent entirely upon the subject of the formation of a new party except for the expressed prohibition of a new party using any part of the name of a party now existing.

The primary act provides new methods of nominations. Under it all nominations must be filed 60 days before the primaries. Under that provision Mr. Roach believes that the filing of a state or county ticket at this late date is barred.

WHAT SAVED HER LIFE

Mrs. Martin Tells About a Painful Experience that Might Have Ended Seriously.

Rivesville, W. Va.—Mrs. Dora Martin, in a letter from Rivesville, writes: "For three years, I suffered with womanly troubles, and had pains in my back and side. I was nervous and could not sleep at night.

The doctor could not help me. He said I would have to be operated on before I could get better. I thought I would try using Cardui.

Now, I am entirely well.

I am sure Cardui saved my life. I will never be without Cardui in my home. I recommend it to my friends."

For fifty years, Cardui has been relieving pain and distress caused by womanly trouble. It will surely help you.

It goes to the spot—reaches the trouble—relieves the symptoms, and drives away the cause.

If you suffer from any symptoms of womanly trouble, take Cardui.

Your druggist sells and recommends it. Get a bottle from him today.

Rev. Lee Harrel of this city received a letter Tuesday noon from Mr. George Sims of Platte City, telling of the death of a young man by the name of Joe L. Titus, who had said he had an uncle living in Maryville, but did not give his name.

The young man was working on the farm of Will Porter, near Platte City. He wa sstruck by lightning and killed the evening of July 5 at the Porter home.

The funeral services were held Sunday and he was buried in Fox cemetery.

Titus' friends are trying to find the uncle of whom he spoke, as they think he will be able to tell them where the mother is. Titus said she was living and a widow, but did not say where she lived.

Mr. and Mrs. W. E. Goforth and children returned Tuesday from Palestine, Ill., where they have been visiting Mrs. Goforth's parents, Rev. and Mrs. D. W. Conner. They took an automobile trip along the Wabash river the day before they left for home and were caught in a heavy rain. They drove it to a barn and waited until the storm was over. In fifteen minutes after the rain had ceased they were able to resume their journey, the sandy soil taking up the water quickly.
